

Appendix 2.9.3. The list of laboratories

Electrical Engineering Education Laboratory

Conversion Laboratory and Electric Power Systems

Control Systems Laboratory

Computer Application Laboratory

Power Electronics Laboratory

Electrical Installation Laboratory

Data Communication Laboratory

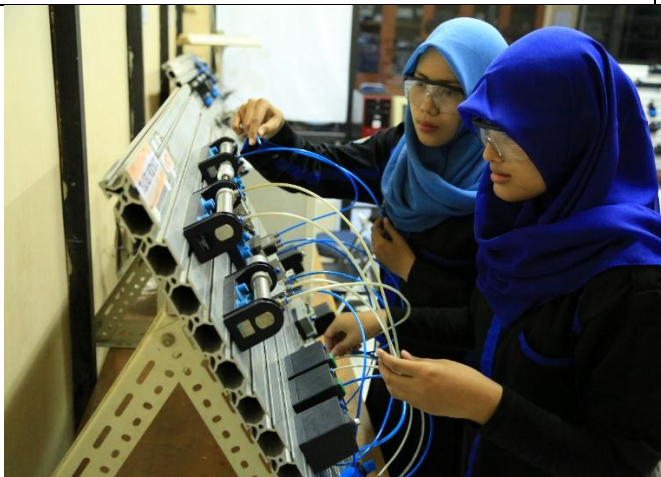

Electrical Engineering Education Laboratory

Electrical Drawing Laboratory

Robotics Laboratory

Automation Laboratory

Electricity Usage Laboratory

Basic Electrical Laboratory

CNC Maintenance Laboratory

Electrical Engineering Education Laboratory

Electric Power Protection Laboratory

Flexible Manufacturing Systems Laboratory

Lab. LICES (Laboratory of Industrial Control and Electrical Safety)
